Dear Sir/Madam

PROPOSED RENEWAL AND NEW SHAREHOLDERS' MANDATE FOR RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE

1. INTRODUCTION

On 26 June 2025, the Board announced that the shareholders of the Company had, at the Annual General Meeting held on 26 June 2025 approved the SOP Group to enter into Recurrent Related Party Transactions of a revenue or trading nature which are necessary for the SOP Group's day-to-day operations. The mandate for Recurrent Related Party Transactions shall, in accordance with the listing requirements, expire at the conclusion of the next AGM of the Company which will be held on 25 June 2026.

The Board of Directors of SOPB had on 28 April 2026 announced its intention to seek shareholders' approval for the Proposed Shareholders' Mandate at the forthcoming Annual General Meeting to allow the SOP Group, in the normal course of business, to enter into Recurrent Related Party Transactions of revenue or trading nature. The Proposed Shareholders' Mandate will take effect from the date of passing the resolution at the forthcoming AGM until the next AGM of the Company in year 2027.

The purpose of this circular is to provide you with information pertaining to the above and to seek your approval for the Resolution to be tabled under the agenda of Special Business at the forthcoming Annual General Meeting.

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE

Pursuant to Paragraph 10.09 of Chapter 10 of the Listing Requirements, a listed issuer may seek a shareholders' mandate in respect of Recurrent Related Party Transactions of a revenue or trading nature which are necessary for its day-to-day operations subject to the following:-

- (a) The transactions are in the ordinary course of business and are on terms not more favourable to the Related Party than those generally available to the public;
- (b) The Shareholders' Mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the Shareholders' Mandate during the financial year where;
 - (i) the consideration, value of the assets, capital outlay or costs of the Recurrent Related Party Transactions is RM1 million or more; or
 - (ii) the percentage ratio of such Recurrent Related Party Transaction is 1% or more, whichever is the higher.
- (c) The circular to shareholders for the Shareholders' Mandate includes the information as may be prescribed by Bursa Securities;
- (d) In a meeting to obtain the Shareholders' Mandate, the interested Director, the interested Major Shareholder or interested person connected with a Director or Major Shareholder; and where it involves the interest of an interested person connected with a Director or Major Shareholder, such Director or Major Shareholder must not vote on the resolution to approve the transactions. An interested Director and interested Major Shareholder must ensure that persons connected with him abstain from voting on the resolution approving the transactions; and
- (e) The listed issuer immediately announces to Bursa Securities when the actual value of a Recurrent Related Party Transaction entered into by the listed issuer, exceeds the estimated value of the Recurrent Related Party Transaction entered disclosed in the circular by 10% or more and must include the information as may be prescribed by the Exchange in its announcement.

The Board proposes to seek a renewal of the authorization and additional mandate from the shareholders to allow the SOP Group, in the normal course of business, to enter into Recurrent Related Party Transactions of a revenue or trading nature provided such transactions are made at arms' length, on the Group's normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders.

The ensuing section of this circular sets out the relevant information pertaining to the above for the consideration and approval by the shareholders at the forthcoming AGM.

The principal activities of SOPB are the cultivation of oil palms and the operation of palm oil mills. The principal activities of its subsidiaries are set out in Section 2.3 of this circular.

It is anticipated that the Group and the Mandated Related Parties would, in the ordinary course of business, enter into the related party transactions as mentioned in Section 2.2 below. It is likely that such transactions will occur with some degree of frequency and could arise at any time.

2.4 Rationale for and Benefit of the Proposed Shareholders' Mandate

The related party transactions entered or to be entered into by the Group are all in the ordinary course of business. There are recurring transactions of revenue or trading nature, which are likely to occur with some degree of frequency and at any time.

In view of the time-sensitive nature and frequency of these transactions, it is impractical to seek shareholders' approval on a case-by-case basis before entering into such related party transactions. As such, the Board seeks shareholders' mandate pursuant and subject to Paragraph 10.09 of the Listing Requirements for the related party transactions to allow the Group to enter into such Recurrent Related Party Transactions made on an arms' length basis and on normal commercial terms and are on terms not more favourable to the related party than those generally available to the public, which are not prejudicial to the interests of the minority shareholders whatsoever.

By obtaining the Proposed Shareholders' Mandate and the renewal of the same on an annual basis, the necessity to convene separate general meetings from time to time to seek shareholders' approval as and when related party transactions recurs will not arise. As such, this will inevitably reduce substantial administrative time, inconvenience and expenses associated with the convening of such meeting, without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Group.

SOPB in the ordinary course of business, require land clearing and development services, the supply of gravel for road construction and maintenance, the supply of diesel, petroleum, lubricants and spare parts for the tractors and machinery used in the estate of the oil palm plantation, as well as fresh fruit bunches for oil palm milling, and crude palm oil and palm kernel for downstream refining. In this respect, the Mandated Related Parties which are financially stable, have emerged as the parties that gave the most competitive quotation and have over the years established good long-standing business relationship with SOPB with their good and prompt services.

2.5 Review Methods and Procedures

To ensure that such Recurrent Related Party Transactions are conducted at arm's length and on normal commercial terms consistent with the Group's usual business practices and policies and will not in any manner whatsoever be prejudicial to minority shareholders, the management will ensure that transactions with the related party will only be entered into after due consideration on the quotation of price, level of service, quality of products and the corporate objectives of the Group. These include transacting at the prevailing market rates/prices of the service or product provider's usual commercial terms, business practices and policies (including, where applicable, preferential rates and discounts accorded to a class or classes of customers or for bulk purchases) or otherwise in accordance with applicable industry norms.

At least 2 other contemporaneous transactions with unrelated third parties for similar products, services and/or qualities will be used as comparison, whenever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or qualities. In the event that quotation or comparative pricing from unrelated third parties cannot be obtained (for instance, if there are no unrelated third party vendors/customers of similar products or services, or if the product/service is a proprietary item), costing method used in determining transaction price will be examined to ensure that the Recurrent Related Party Transaction is not detrimental to the listed issuer or its group of companies.

Disclosure will be made in the annual report of the Company for the breakdown of the aggregate value of transactions conducted pursuant to the Proposed Shareholders' Mandate during the financial year based on information such as the type of the recurrent transactions made and the names of the related parties involved in each type of the recurrent transactions made and their relationship with the company. Disclosure will also be made in the annual reports for subsequent financial years during which the shareholders' mandate remain in force.

The following will be implemented and observed in order to achieve the above:-

- (i) To notify the Company's subsidiaries the Mandated Related Parties and that all Recurrent Related Party Transactions are required to be undertaken on an arm's length basis and on normal commercial terms and on terms not more favourable to the related parties than those generally available to the public and are not to the detriment of the minority shareholders;
- (ii) All Recurrent Related Party Transactions will be reviewed by at least one (1) from senior management and the Group Chief Executive Officer. Senior management consists of Heads of Departments;
- (iii) A register will be maintained by the Company to record all Recurrent Related Party Transactions which are entered into pursuant to the Recurrent Related Party Transaction mandate (hereinafter referred to as "RRPT Mandate");
- (iv) The annual internal audit plan shall incorporate a review of all Recurrent Related Party Transactions entered into pursuant to the RRPT Mandate to ensure that the relevant approvals have been obtained and the review procedures in respect of such transactions are adhered to;

- (v) The Board and the Audit Committee shall review the terms of the Recurrent Related Party Transaction and have reviewed the procedures and shall continue to review the procedures as and when required, with the authority to sub-delegate to individuals or committees within the Company as they deem appropriate. If a member of the Board or Audit Committee of SOPB has an interest, as the case may be, he will abstain from any decision making by the Board or Audit Committee of SOPB in respect of the said transaction.

2.6 Details of the sums due and owing by the related parties pursuant to a RRPT which exceeded the credit term as at 31 December 2025
